Nondiscrimination Policy Statement

The Palm Beach Transportation Planning Agency (TPA) values diversity and both welcomes and actively seeks input from all interested parties, regardless of cultural identity, background or income level. Moreover, the TPA does not tolerate discrimination in any of its programs, services or activities. The TPA will not exclude participation in, deny the benefits of, or discrimination against anyone on the grounds of race, color, national origin, sex, age, disability, religion, income, or family status. Additionally, the TPA extends these same assurances to any protected class as recognized by any of the local governments within its service area. The TPA will actively work to ensure inclusion of everyone in our community so that our programs, services and activities represent the diversity we enjoy.

The purpose of the TPA Title VI program is to establish and implement procedures that comply with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Americans with Disabilities Act of 1990 (ADA), as well as other related federal and state statutes and regulations. These procedures have been adopted to conform to Federal Transit Administration (FTA) and Federal Highway Administration (FHWA) regulations, as well to Florida Department of Transportation (FDOT) guidelines.

Statement of Commitment to Serve Persons With Limited English Proficiency (LEP)

Title VI of the Civil Rights Act of 1964, Executive Order 13166, and various directives from the US Department of Justice (DOJ) and US Department of Transportation (DOT) require federal aid recipients to take reasonable steps to ensure meaningful access to programs, services and activities
by those who do not speak English proficiently. In adherence with these regulations, the TPA makes reasonable efforts to ensure its programs, services and activities are meaningfully accessible to those who do not speak English proficiently. The TPA has developed a Limited English Proficiency (LEP) Plan to assess the need and address the resources for oral interpretation and translation of program documents into alternate languages to ensure meaningful access. In developing the LEP Plan, the TPA has assessed its programs and services to determine the extent to which LEP services are required and in which languages, by conducting an analysis of the following four factors:

- **Factor 1:** The number or proportion of LEP persons eligible to be served or likely to be encountered by the TPA’s programs, services or activities.
- **Factor 2:** The frequency with which LEP individuals come in contact with these programs, services or activities.
- **Factor 3:** The nature and importance of the program, service or activity to people’s lives.
- **Factor 4:** The resources available and the overall cost to the TPA.

The TPA’s Limited English Proficiency (LEP) Plan will be periodically updated as needed and will be considered an appendix to the most currently adopted Public Participation Plan (PPP).

The TPA does not intend that its Limited English Proficiency (LEP) Plan exclude anyone requiring language assistance and will attempt to accommodate requests. Anyone who requires special language services is requested to contact the TPA’s Title VI Officer.

**Statement of Commitment to Serve Persons with Disabilities**

Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act of 1990 (ADA) and related federal and state laws and regulations forbid discrimination against those who have disabilities. Furthermore, these laws require federal aid recipients and other government entities to take affirmative steps to reasonably accommodate the disabled and ensure that their needs are equitably represented in the transportation planning process.

The TPA endeavors to ensure that its facilities, programs, services, and activities are available to those with disabilities in accordance with the Americans with Disabilities Act (ADA). The TPA also actively seeks out disabled communities and service groups to ensure their input into the TPA’s programs, services and activities. The TPA will make every effort to ensure that its advisory committees and public participation activities include representation by the disabled community and disability service groups. The TPA will make every effort to ensure that its facilities, programs, services, and activities are accessible to those with disabilities. The TPA encourages the public to report any facility, program, service or activity within the county that appears inaccessible to the disabled. Furthermore, the TPA will provide reasonable accommodation to disabled individuals who wish to participate in meetings, public participation activities, or other events or programs of the TPA, or who require special assistance to access TPA facilities, programs, services or activities. Because providing reasonable accommodation may require outside assistance, organizations or resources, the TPA asks that requests be made at least five (5) business days prior to the need for accommodation.

Questions, concerns, comments or requests for accommodation should be made to the TPA’s ADA Officer.
Document Updates
The TPA will consider its most recently adopted Title VI & ADA Nondiscrimination Policy and Plan as an appendix to its most recently adopted Public Participation Plan (PPP). The TPA will annually examine its Title VI & ADA Nondiscrimination Policy and Plan to determine any updates that may be needed. Administrative updates may be made annually or as needed without Governing Board approval if they do not alter the document in any meaningful way.

Staff Trainings
The designated TPA Title VI & ADA Officer has received multiple trainings on Title VI, ADA, civil rights, nondiscrimination, and environmental justice and will continue to participate in trainings as opportunities become available. Together, the TPA Executive Director and the Title VI & ADA Officer will coordinate periodic training for other TPA staff members, Governing Board members and/or advisory committee members as deemed necessary.

Complaint Procedures
The Palm Beach Transportation Planning Agency (TPA) has established a discrimination complaint procedure and will take prompt and reasonable action to investigate and eliminate discriminatory actions. Any person who believes that he or she has been subjected to discrimination based upon race, color, national origin, sex, religion, age, disability, income, family status, or as a member of any protected class as designated by a local government within the TPA service area, may file a complaint with the TPA’s Title VI Officer.

If possible, the complaint should be submitted in writing and contain the identity of the complainant; the basis for the allegations (i.e., race, color, national origin, sex, religion, age, disability, income or family status); and a description of the alleged discrimination with the date of occurrence. If the complaint cannot be submitted in writing, the complainant should contact the TPA’s Title VI Officer for assistance.

The Title VI Officer will respond to the complaint within thirty (30) days and will take reasonable steps to resolve the matter. Should the TPA be unable to satisfactorily resolve the complaint, the Title VI Officer will forward the complaint, along with a record of its disposition, to the Florida Department of Transportation (FDOT), Equal Opportunity Office, Statewide Title VI Coordinator. FDOT will assume jurisdiction over the complaint for continued processing.
