Transit App

Transit App

Regions Wish List Blog

The simple and beautiful way to get around.

Get upcoming departure times for all nearby transit lines in big text and bright colours — no taps required. Plan your trip, set reminders, get notifications about disruptions. Public transit not cooperating? Don't fret: easily request an Uber, reserve a car2go or grab the closest bike share.

Your commute should be simpler. With Transit App, it is.

Regions Wish List Blog About Privacy Jobs Developers  

“A developed country is not a place where the poor have cars. It's where the rich use public transportation.”

— Enrique Peñalosa, Ex-Mayor of Bogotá
