2. **“Battle of the Counties” Travel Challenge:** The [Southeast Florida Transportation Council \(SEFTC\)](#) has launched the “Battle of the Counties” Travel Challenge – a friendly, data-collecting contest between the residents of Miami-Dade, Broward, and Palm Beach counties – in an effort to improve the local transportation system. 4. **MPO Funding Applications:** Applications for the MPO's annual Local Initiatives (LI) and Transportation Alternatives (TA) funding programs have been submitted. We are scheduling applicant presentations for April 10-14. There were 8 Local Initiatives and 6 Transportation Alternatives applications.
