Belvedere Heights
Streetlights & Sidewalks Improvements Project
Phase I

MPO 2017 Transportation Alternatives Program (TAP)
BTPAC Special Workshop
Thursday, April 6, 2017
WESTGATE CRA AREA

- Approx. 1,300 acres or 2 square miles
- Area bounded by Okeechobee Blvd., N. Military Trail, Belvedere Rd., and N. Florida Mango Rd.
WESTGATE CRA BACKGROUND

- Westgate CRA created in May 1989 by the BCC pursuant to FS 163 Part III
- With the primary objective of improving public infrastructure and promoting social and economic development
- Agency receives tax increment revenue (TIF) based on property improvement values from PBC annually
- Used to implement goals of Redevelopment Plan
- Leverage TIF dollars with State and Federal grant funding
- Completed over $30 million in sanitary sewer, drainage, roadway, and flood mitigation improvements in residential neighborhoods from 1992-2012
SUCCESSFUL CRA INFRASTRUCTURE PROJECTS

Streetlight Programs

Belvedere Homes
- Ongoing since 1999 – CRA funded

Cherry Road
- 40 decorative light standards – CRA funded
SUCCESSFUL CRA INFRASTRUCTURE PROJECTS

Public Infrastructure

South Westgate 1992 -1996
- $3.3 million bond secured for sanitary sewer, drainage & roadway improvements

North Westgate 2004 -2011
- Multi-phase (6) sanitary sewer, drainage & roadway improvement project spanning 7 years
- $7 million in grant funding leveraged with CRA TIF funds
PROJECT BACKGROUND

- Improvements to infrastructure continue to be a CRA focus
- Above-ground streetscape improvements and development of walkable public spaces
- Many pockets throughout CRA without adequate streetlighting or a connected sidewalk network
- Belvedere Heights is a small residential neighborhood accessed only from N. Florida Mango Road
- No existing streetlights or sidewalks

Worthington Road

Florida Mango
GENERAL PROJECT LOCATION

Westgate CRA
WCRA Neighborhood Exhibit
PHASE I LOCATION – UPLAND ROAD TO WORTHINGTON ROAD
PROJECT DESCRIPTION

- Intended to increase walkability, pedestrian safety, and neighborhood security by improving basic infrastructure.
- +/- 4,350 linear feet of new 5’ wide concrete sidewalks on 5 local streets.
- Total of 35 decorative pedestrian-scale streetlights.
- All planned improvements are in County R-O-W.
- Phase II – remainder of Belvedere Heights neighborhood from Wellington Rd. to Bridgeman Drive.
- Future phases – roadway improvements & bike lanes throughout neighborhood and N. Florida Mango.
EXISTING CONDITIONS

- Kenwood Rd
- Upland Rd
- Ardmore Rd
- N. Florida Mango at Ardmore Rd
EXISTING 50’ R-O-W

BELVEDERE HEIGHTS STREETLIGHTS & SIDEWALKS PHASE I
TYPICAL SECTION – PROPOSED 60’ ROW
(STREETMIX)
FUNDING ELIGIBILITY CRITERIA

1. Safety, Security and Complete Streets
   - Project designed to consider future roadway improvements
   - Allow for a future 6’ paved shoulder/bike lane on both sides of street and reduced 10’ drive lanes
   - Addition of sidewalks furthers ADA compliance by providing crosswalk striping and by connecting to existing sidewalks on N. Florida Mango Road
   - Provides safer route for children to access school bus drop off/pick up times
   - Improves non-motorized safety by providing 4,000 points for new sidewalks
   - A planned lane reduction from 12’ to 10’ and the addition of 6’ bike lanes increases non-motorized points to +/- 8,000
FUNDING ELIGIBILITY CRITERIA

2. Maximizing MPO Funds

- Estimated total project costs $1,484,206.18
- Requesting $935,581.93 in TAP grant funding
- Utilizing local funds (CRA TIF and/or grant funding from alternate sources) for design, contingency, and CEI activities
- LAP agreement with PBC Engineering & Public Works
3. **Equity – Median HH Income**

- 2014 population of 11,433
- 2,939 households in 2014
- 57% of CRA households in lower income ranges
- 28% are considered very low
FUNDING ELIGIBILITY CRITERIA

3. Equity – Traditionally Underserved Population

PBC Jurisdictions – Low Income & Ethnic Minority Concentrations (DES Consolidated Plan 2015-2020)
4. Local Support & Environmental Impacts

- Improved sidewalk network and streetlights identified by community at 2015 Forum
- As well as continuing concern over crime and safety
- 2010-2015 PBSO data shows an overall increase in crime in the CRA area
- Addition of streetlights act as a deterrent to criminal activity
- Increases security and visibility for law enforcement – project is supported by PBSO community policing deputies
- No anticipated negative environmental impacts
4. Non-Motorized Connectors & Efficient Transit

- Belvedere Road identified as a 110’ R-O-W thoroughfare
  - Provision to add 6’ bike lane in future neighborhood roadway design improving connectivity to Belvedere Road

- Belvedere Heights neighborhood has access to Palm Tran Routes 42 and 44 to downtown WPB, multi-modal transit station
  - Sidewalks and streetlights provide secure passage and walkability to transit points on N. Florida Mango Road and Belvedere Road
5. **Proximity Benefit**

- Project is within 0.6 miles of Westgate Elementary School
- Project is within 1.8 miles of Cross County Shopping Plaza
- Project is within 1.15 miles of Westgate Recreation Center
