

Strategic Intermodal System (SIS) District Four

Palm Beach TPA's 40th Anniversary Meeting
December 14th, 2017

SIS Overview

Florida's strategic intermodal system (SIS) comprises Florida's **statewide network of high priority transportation facilities** which represent the state's primary means for **moving people and freight between Florida's diverse regions.**

SIS Overview

Florida Statute s. 339.135:

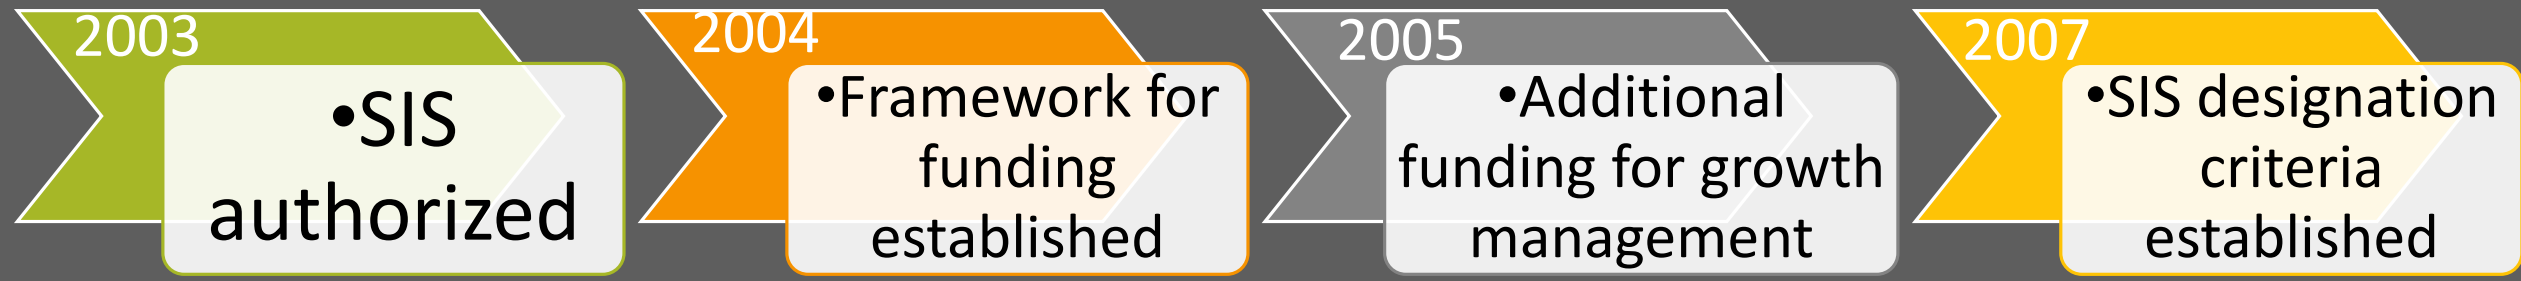

The Department shall allocate 50% of any new discretionary highway capacity funds to the SIS

Work Program Instructions: partner match requirements for SIS:

- 100% state contribution for SIS roadway and roadway connectors
- 75% state and 25% non-state for SIS non-roadway connectors
- 50% state and 50% non-state for hub capacity improvements
