Citizen Advisory Committee Liaison Report – May 3, 2017

1. **South Florida Commuter Challenge:** During the month of May, the Florida Department of Transportation and its partners challenge commuters in Monroe, Miami-Dade, Broward, Palm Beach, Martin and St. Lucie counties to try an alternative transportation mode for their daily work commute. Go to <http://www.sflcommutes.com> to get started and download the mobile app to log miles commuted by alternative modes of transportation.
2. **Road Impact Fee Workshop:** The MPO is working to schedule the requested road impact fee workshop in May and will use that workshop to refine the desired path forward, and then formulate an appropriate question for an attorney general opinion regarding charter amendment authority and flexibility (whether an amendment is needed to use road impact fee revenue for multimodal projects).
3. **MPO 40th Anniversary:** The first meeting of the Palm Beach MPO occurred on November 10, 1977. To commemorate 40 years of transportation planning, the MPO will be celebrating its 40th anniversary at the Governing Board meeting on December 14, 2017. Please mark your calendars for this special event.
4. **Palm Springs Bike Rodeo:** The MPO will be participating in the Village of Palm Spring's second annual bike rodeo on Saturday, May 6th from 10:00 a.m. to 1:00 p.m. There will be activities for children ages 5 and up to promote bike safety. The event will be held at the basketball courts at the Village Center Complex, 226 Cypress Lane.
5. **National Bike Month:** May is National Bike Month, and May 10th is the National Bike to School Day. You can find more information at www.walkbiketoschool.org
6. **US 1 Multimodal Corridor Study:** We will be providing flyers and reminders about the workshops/charrettes for the ongoing corridor study. The first meetings are starting in Boca Raton. Valerie Neilson has more information.
7. **MPO Complete Streets Design Guidelines:** The draft Complete Streets Design Guidelines will be presented at a working group meeting on Wednesday, May 10th from 2:00 p.m. to 4:00 p.m. The meeting will be held at the Palm Beach MPO Conference Room (4E-12), 2300 N. Jog Road, West Palm Beach.
