US-1 Multimodal Corridor Study

PURPOSE
• Identify multimodal improvements that increase safety and access for all users
• Evaluate the potential for a premium express bus service

OVERVIEW
• Spring 2017 - 2018 Study
• ~42 miles across 14 communities
• 6 months public outreach
• Approved at TPA Board May 2018

FINDINGS
• Health Impact Assessment (HIA)
• Transit Assessment
• Roadway Assessment

NEXT STEPS:
• FDOT further analysis and design for roadway modifications
• Palm Tran Perform Detailed Analysis
• Pursue Capital Funding
