# TPA VISION ZERO ACTION PLAN

## VISION

**Eliminate** traffic-related fatalities and serious injuries in Palm Beach County

## GOALS

- Develop a **data-driven decision-making** framework for reducing fatalities and serious injuries by identifying targeted countermeasures.
- Develop **measurable action items** to monitor progress toward Vision Zero.
- **Align with Vision Zero partners** to drive down fatalities and serious injuries towards an ultimate vision of zero.

# Changes since last round

- Added traditionally underserved and low income populations analysis and maps
- Updated Policy Action 5.d:  
Revise criteria for installation of vehicle or pedestrian crossing treatments at mid-block and unsignalized locations.
- Added the source and date of the data to each map at the top.

# Today's Request of the Board

**Adopt Vision Zero Resolution** affirming commitment and endorsing the Vision Zero Action Plan

**Direct Staff to produce annual Vision Zero report** to track progress and update actions annually in February
