The List of Priority Projects guides development of the Florida Department of Transportation (FDOT) Five-Year Work Program and the TPA's Transportation Improvement Program (TIP). Florida Statutes require the TPA to annually adopt and transmit the List of Priority Projects to FDOT. The TPA and FDOT have mutually agreed to a deadline of August 1. The list of projects is consistent with the TPA's adopted Long Range Transportation Plan (LRTP) and its associated goals, objectives and values.

The draft FY 22-26 List of Priority Projects are organized into State Road Modifications, Local Initiatives Projects, and Transportation Alternative Projects. The list identifies the additional funding needs of those projects previously approved by the TPA and requests funding for several new projects. The draft List of Priority Projects is attached.

B. MOTION TO RECOMMEND APPROVAL of the TPA's FY 21 Strategic Plan

The TPA established a Strategic Plan in 2016 to guide its conduct for the upcoming 12-month period based on a state fiscal year. Each year, the TPA reviews prior year performance and then updates the plan to identify specific and relevant actions that advance the TPA's mission and vision. A Strategic Plan Steering Committee comprised of seven TPA Board Members met on June 22, 2020 to review the agency's performance for FY 20 and recommend updates for FY 21. TPA staff will highlight significant events in FY 20 and review proposed updates in the attached FY 21 Strategic Plan.
