

## Executive Director's Report - May 21, 2020

1. ***SR-80 (Main St in Belle Glade to CR-880) Street Lighting Update:*** FDOT is installing street lighting at the intersections of SR 80 with Main St/SR-15/US-441, Sugar House Rd/George Wedgeworth Way, and Hatton Highway. Construction should be complete by March 2021. Additionally, FDOT began a lighting feasibility study for the remainder of the corridor in December 2019. Final study results are expected at the end of July 2020.
2. ***South Dixie Highway Corridor Lane Elimination - Status Update:*** FDOT District 4 has decided to repeal their 2019 approval of the lane elimination project for South Dixie Highway from Albemarle Road to Okeechobee Boulevard in West Palm Beach (FM 440042-1). This project is TPA Board Priority 16-2 for Local Initiatives funding with \$7.3M for construction and CEI services in FY21. FDOT is working with the City to evaluate potential alternatives for this project.
3. ***Temporary Roundabout at Okeechobee Blvd and Jog Rd:*** FDOT and Palm Beach County will test the installation of a temporary roundabout at intersection of Okeechobee Blvd and Jog Rd from 6 a.m. to 12 p.m. on Saturday, May 30, 2020 as part of a joint hurricane preparedness exercise. During this time, the traffic lights will be turned off and the temporary roundabout will control traffic.
4. ***TPA COVID-19 Travel Survey:*** The TPA is conducting an online survey asking residents how COVID-19 restrictions have affected local travel behaviors and whether those changes will become permanent as restrictions are modified.
