L RTP and TIP Adoption Policy

What is it?

- Requires approval or rejection of entire LRTP/TIP
- Requires requests for project additions/deletions to be heard as proposed amendments at a future meeting

Why do it?

- To ensure adequate public notice for interested parties
- To provide clarity for voting members
- To maintain balance between available funds and project costs
- To allow staff review of add/delete impacts

Highlights of Public Participation Plan Updates

Consistency With TPA Operating Procedures

- Acknowledges TPA Operating Procedures
- Eliminates superseded references to individual sets of bylaws
- Public participation for virtual meetings

Highlights of Public Participation Plan Updates

Public Participation Goals and Objectives

- Removes goals, objectives, targets and measures and reflects their inclusion and reporting within the TPA's Strategic Plan
- Allows for goals, actions and outcomes to be more specific, more frequently updated, and aligned with the TPA's Unified Planning Work Program (UPWP)
