The Florida Department of Transportation (FDOT) has requested approval of an amendment to the FY 21-25 TIP to include the FY 20 Roll Forward projects. The TPA's PPP establishes policies and procedures for public engagement, including notice of proposed actions and opportunity for input. The draft document is attached and also available at [PalmBeachTPA.org/Public-Participation-Plan](https://PalmBeachTPA.org/Public-Participation-Plan). Updates include:

- Stronger emphasis on the TPA website as official form of public notice,
- A policy to require approval or rejection of major updates to the LRTP and annual updates to the TIP in their entirety with a provision for project additions or deletions to be considered as amendments at a future meeting,
- A reference to recently adopted TPA Operating Procedures, including emergency powers and virtual meetings when legally permitted, and
- Removal of outreach goals and objectives in the PPP to reflect their inclusion and reporting within the TPA's Strategic Plan and Annual Report Card.
