I-95 Lighting and Roadway Improvements Project

From South of the State Road (SR) 706 / Indiantown Road Interchange to the County Road (CR) 708 / SE Bridge Road Interchange
Financial Project ID Numbers: 434273-3-52-01 & 434273-4-52-01

I-95 Lighting and Roadway Improvements Project

Starting September 9, 2020, the Florida Department of Transportation (FDOT), District Four, will begin the I-95 lighting and roadway improvements project from south of the SR 706 / Indiantown Road interchange to the CR 708 / SE Bridge Road interchange. The contractor is CARR Construction, LLC, and Cardno and FDOT will be overseeing the project.

PROJECT IMPROVEMENTS

- Installing roadway lighting with LED luminaires
- Replacing the SR 706 / Indiantown Road interchange high mast lighting system with a conventional LED roadway lighting system
- Installing roadway lighting with LED luminaires within the CR 708 / SE Bridge Road interchange
- Extending the northbound I-95 merge lane just north of SR 706 / Indiantown Road by 1,300 feet
- Extending the deceleration distances for the northbound I-95 to westbound SR 706 / Indiantown Road exit ramp and the southbound I-95 to eastbound SR 706 / Indiantown Road exit ramp
- Installing advance guide signs in the northbound and southbound direction of I-95 for SR 706 / Indiantown Road and in the northbound direction of I-95 for CR 708 / SE Bridge Road
- Installing curve warning signs on I-95 at the roadway curve north of SR 706 / Indiantown Road and at the curve south of CR 708 / SE Bridge Road
- Installing wrong way vehicle detection systems at the SR 706 / Indiantown Road and CR 708 / SE Bridge Road interchanges

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Department will provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of our environment and communities.

TRAFFIC IMPACTS

To do this work safely, it will be necessary to close travel lanes on I-95 at various times and locations. Lane closures will occur Sunday through Thursday night from 10 p.m. until 6 a.m. During this time, at least one lane on I-95 will remain open in each direction.

Nighttime full ramp closures will occur Sunday through Thursday night between 11:30 p.m. and 4:30 a.m. at the SR 706 / Indiantown Road interchange (Exit 87) for lighting installation.

Full northbound and southbound closures of I-95 will occur for a few nights, Sunday through Thursday night between 11:30 p.m. and 4:30 a.m., for overhead sign installation.

Advance notice will be provided prior to any full roadway or ramp closure.

I-95 PROJECT LIMITS

Construction Cost: \$12,260,283

Construction Start: September 9, 2020

Anticipated Completion: Spring 2022

The project team will be distributing periodic updates. If you would like to receive project updates by email, please contact Community Outreach Specialist, Kathleen Dempsey, to be added to the project distribution list. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.
